

# Welcome to Stockholm – the capital of Scandinavia!

13 – 16 June 2024

Built on 14 islands around one of Europe’s largest and best-preserved medieval city centers, the Swedish capital is superbly positioned, with stunning and varied scenery in every direction. Stockholm offers a wealth of museums, theatres, attractions, and events, whether your interest lies in history, art, opera, modern dance, traditional handicrafts, contemporary design, and much more. With the world’s first national park within a city limit and an amazing archipelago made up of 24.000 islands, Stockholm’s first-ever European Green capital is a jewel worth visiting any time of the year!
