New Horizons – Privacy Policy

1 Registry name	New Horizons data registry
2 Controller (rekisterin pitäjä)	JAMK University of Applied Sciences, the New Horizons project
3 Contact details	Steven Crawford, steven.crawford@jamk.fi
4 Information Collection and Use	We collect the data with a Webpropol web form. We use the data for recording who registers for the New Horizons games with the intention of supporting our users with updates and news about New Horizons activities and products.
5 Collected personal data	We collect the registrant's basic contact information including name, organization name, email address, country, how they intend to use our product, and how did they hear about New Horizons.
6 Legal basis	Consent of the user.
7 Sources of data	Data is collected with a Webpropol form.
8 Usage of collected data outside of Europe	We do not provide any registration data to anyone outside of Europe.
9 Keeping your information safe	The data is stored in Webpropol and also in JAMK's OneDrive. Access is limited to the New Horizons project manager.
