**Project Title:** Reshaped Partnerships for Competitiveness and Innovation Potential in Mechanical Engineering

**Partner P2:** Technical University of Cluj-Napoca

## REPORT

In parallel with International Conference on Production Research ICPR – QIEM, 1-5 July 2014 (<http://www.icpr-eame.com/>), Technical University of Cluj-Napoca organized the meeting of the Deans of Mechanical Engineering Faculties from Romania (<http://www.icpr-eame.com/program.html>) on 4 of July. The Flayer and Agenda of this event are presented in Annex 1.

During the meeting of the Deans, Prof. Dan MANDRU – Faculty of Mechanical Engineering from Cluj-Napoca, gave a presentation concerning the structure of this faculty, Bachelor, Master and PhD programs, the laboratories and the content of RePCI Project, as well, considering the fact that this faculty is partner in RePCI Project. The presentation was included in topic: European Strategies for the Development of Mechanical Engineering. The content of the presentation is presented in Annex 2.

At the meeting and presentation attended the deputy rectors of Technical University of Cluj Napoca, Prof. Daniela MANEA and Prof. Catalin POPA, the Deans of the Faculties of Mechanical Engineering from different Romanian universities (Galati, Sibiu, Ploiesti, Oradea, Tg. Jiu, Baia-Mare, Timisoara, Brasov, Iasi, etc.).

Cluj-Napoca, 10 July
