## International Gaming Week GamePit Matara gaming cafe 10.11. from 2pm to 6pm!

Come and explore GamePit Matara by Jamk – e-sports facility!  
On the spot you can play on a computer and with VR glasses.

The GamePit Matara facility has 12 gaming computers which you can use to play several different games with your own game credentials. At the facility there is also a console game corner. The GamePit facilities were originally established as a measure of the eLämää project, e.g. as training facilities to map the business opportunities of e-sports scene.

**Also come and test the game projects made by Jamk's 3rd year Game Production students on DGC's Stage from 2pm to 5pm!**

**Location:** Digi & Game Center, Matarankatu 2, 40100 Jyväskylä (from backdoor)

Welcome to visit according to your own schedule!
